MARKING OF STRUCTURAL TIMBER

SANS 1783 : “Sawn softwood timber”

SABS 653 & 563 was replaced with SANS 1783. Reference to the SABS in the title was amended to SANS (South African National Standard) and reference to the SABS as the only approval authority was deleted.

Accredited Product Certification Bodies

South African Technical Auditing Services (SATAS) obtained accreditation from the South African National accreditation systems (SANAS) as a Product Certification Body for manufacturers of wood and wood products including SANS 1783.

Similarly the SABS Certification also holds accreditation by SANAS to Certify Manufacturers to the same Standard.

In South Africa SATAS and the SABS are the only SANS 1783 accredited Product Certification Bodies.

MERK VAN KONSTRUKSIE HOUT

SANS 1783 : “Sawn softwood timber”

SABS 653 & 563 is vervang met SANS 1783. Verwysing na die SABS in die titel is gewysig na SANS (South African National Standard) en verwysing na die SABS as die enigste goedkeurings outoriteit is verwyder.

Ge-akkrediteerde Produk Sertifisering Liggaam

South African Technical Auditing Services (SATAS) het akkreditasie verwerf deur South African National Accreditation Systems (SANAS) as 'n Produk Sertifisering Liggaam vir vervaardigers van hout en hout produkte met inbegrip van SANS 1783. SABS Certification hou soortgelyke akkreditasie van SANAS vir SANS 1783.

SATAS en SABS Certification is die enigste organisasies in Suid Afrika wat oor SANS 1783 Produk Sertifisering akkreditasie beskik.
