

COMPULSORY SPECIFICATION FOR THE PRESERVATIVE TREATMENT OF TIMBER

NRCS APPROVALS

Attached for your information and records your application for approval as submitted to NRCS by SATAS in 2010. I believe that the processing of the applications has finally started. NRCS will send a letter of approval to each applicant. In future you have to report any changes in your current certification to NRCS.

REGISTRATION WITH NRCS

SATAS Certificate Holders on Preservative treatment Standards are reminded that at a NRCS industry meeting held on 16 February, industry was informed that the new NRCS Regulations require all manufacturers of products subject to compulsory specifications to **register** with the NRCS. The registration must be done by each producer directly and the registration forms can be completed and submitted electronically on the NRCS website at www.nrccs.org.za. Members who don't have access to the internet can contact the NRCS at 012 428 6723 or contact SATAS for a copy. Unfortunately the NRCS does **not** except faxes or scanned e-mails of the completed forms. Please post the forms to NRCS Registrations, Private Bag X25, Brooklyn, 0075.

Please note that the registration process is not the application for approval by the NRCS . All NRCS registrations must be completed by the 30th of June 2011.

SOUTH AFRICAN **TECHNICAL** AUDITING SERVICES PTY Ltd

At the same time we also re-issue your current permit to reflect the new SATAS name as attached.

Groete
Abe stears

VERPLIGTE SPESIFIKASIE VIR DIE BEHANDELING VAN HOUT

AANSOEKE VIR GOEDKEURING BY DIE NRVS

Aangeheg vir jou inligting en rekords die aansoek vir goedkeuring soos ingehandig by NRVS deur SATAS gedurende 2010. Die verwerking van die aansoeke het blykbaar begin en jy behoort 'n goedkeurings brief van NRVS te ontvang. In die toekoms moet elke verandering tov jou huidige sertifisering aan NRVS rapporteer word.

NRVS-REGISTRASIE

SATAS Sertifikaat Houers van preservering standarde word daaraan herinner dat die bedryf op die NRVS-vergadering wat op 16 Februarie gehou is ingelig is dat die nuwe NRVS Regulasies vereis dat alle vervaardigers van produkte wat onderhewig is aan verpligte spesifikasies, by die NRVS moet **registreer**. Die registrasies kan slegs deur die vervaardigers self gedoen word en dit kan voltooi en ingedien word op die NRVS se webtuiste by www.nrccs.org.za. Lede wat nie toegang tot die internet het nie kan die NRVS direk kontak by 012 428 6723, of kontak SATAS vir 'n afskrif van die registrasie vorm. Die NRVS aanvaar egter nie fakse of geskaneerde e-pos kopieë nie. Pos asseblief die voltooiide vorms na NRVS Registrasies, Privaatsak X25, Brooklyn , 0075.

Let asseblief daarop dat die regsitrasieproses nie die aansoek om goedkeuring by die NRVS is nie . Alle NRVS registrasies moet teen 30 Junie 2011 afgehandel wees.

SOUTH AFRICAN **TECHNICAL** AUDITING SERVICES PTY Ltd

Ons het ook nou die sertifikaat her-uitgereik om die nuwe SATAS naam te reflekteer soos aangeheg.
